

GROUP 2: 6 BURSARIES FOR 1ST YEAR PHD STUDENTS

6 bursaries of EUR 3000 each will be awarded to selected 1st year PhD students

Criteria	Description
Eligibility	<p>Projects must be designed for the award of PhD or equivalent</p> <p>The applicant must be enrolled in a European university/institute (EU (including UK), Switzerland, Norway, Turkey and Russia) for his/her PhD programme</p> <p>Projects must have started, or will start, in academic year 2019/2020</p> <p>The applicant should not be already sponsored by, and/or bound to, a commercial organization</p>
Student	<p>Can be from any scientific background but one aim of the bursary initiative is to attract students who have not studied Food Chemistry, Food Science or Food Technology to venture into the area of food flavors</p> <p>Projects do not necessarily have to be restricted to scientific aspects, but can also cover other features of flavor science such as business policy, marketing, legislation, consumer impact, etc.</p>
Novelty	<p>A brief summary of the work should clearly state the background to the project, the hypotheses to be tested and explain the novelty of the work and its potential to further our understanding of flavor science</p>
Interdisciplinary	<p>Projects that involve training the student in more than one scientific discipline will be favoured</p>
Experimental design and data analysis	<p>All projects should describe appropriate methodology for experimental design and data analysis</p>
Language	<p>English</p>
Registration	<p>All documents should be countersigned by the Professor concerned. Only an electronic version of the project will be accepted. Evidence of enrolment in the 2019/2020 academic year at the university/institute should accompany the documents</p> <p>Deadline for application: October 31, 2019</p>
Evaluation	<p>Complete evaluation of first year candidates will take place during December 2019 to select the 6 candidates for the bursary</p> <p>Results will be announced on December 20, 2019</p>
Bursary	<p>The one-off bursary of EUR 3000 will be awarded during 2020 to the 6 selected first year PhD students. Bursary payment(s) will be based on research-related invoices counter-signed by the respective professors. Invoices can relate to expenses such as purchases of equipment, databases, participation in conferences, visits to laboratories, etc. Any part of the bursary not claimed by December 31, 2020 will be handed over to the respective department of the university/institute</p> <p>The 6 designated 1st year PhD students will be offered the opportunity of visiting the laboratory of a selected sponsor company in their second year of studies. Bursary winners will also be expected to submit mid and year end short summaries of research progress, due June 30, 2020 and December 31, 2020 respectively</p>
Submission	<p>All relevant documents should be sent electronically to: info@giract.com</p> <p>For further details contact: info@giract.com or Andy.Taylor@nottingham.ac.uk</p>
